Forecast For Wales
Issued by Met Office Exeter
at 0400 on Saturday 24 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Drier in the north, heavy showers in the south.

Today:
Heavy and thundery rain clearing from the south through the morning. Locally torrential thunderstorms will develop in the south through late afternoon. Pleasant elsewhere with sunny spells and less hot. Maximum temperature 25 deg C (77 deg F).

Tonight:
A dry evening for much of the country though heavy, locally thundery showers will continue in the south. These gradually easing through the night to leave clear spells for many. Minimum temperature 12 deg C (54 deg F).

Sunday:
A fine and dry day with plenty of sunshine. Feeling pleasant in the sun with light winds. Maximum temperature 25 deg C (77 deg F).

Outlook for Monday to Wednesday:
A mixture of sunshine and scattered showers on Monday. Turning more unsettled on Tuesday and Wednesday with outbreaks of rain and more frequent showers, these heavy and thundery. Feeling cooler.
